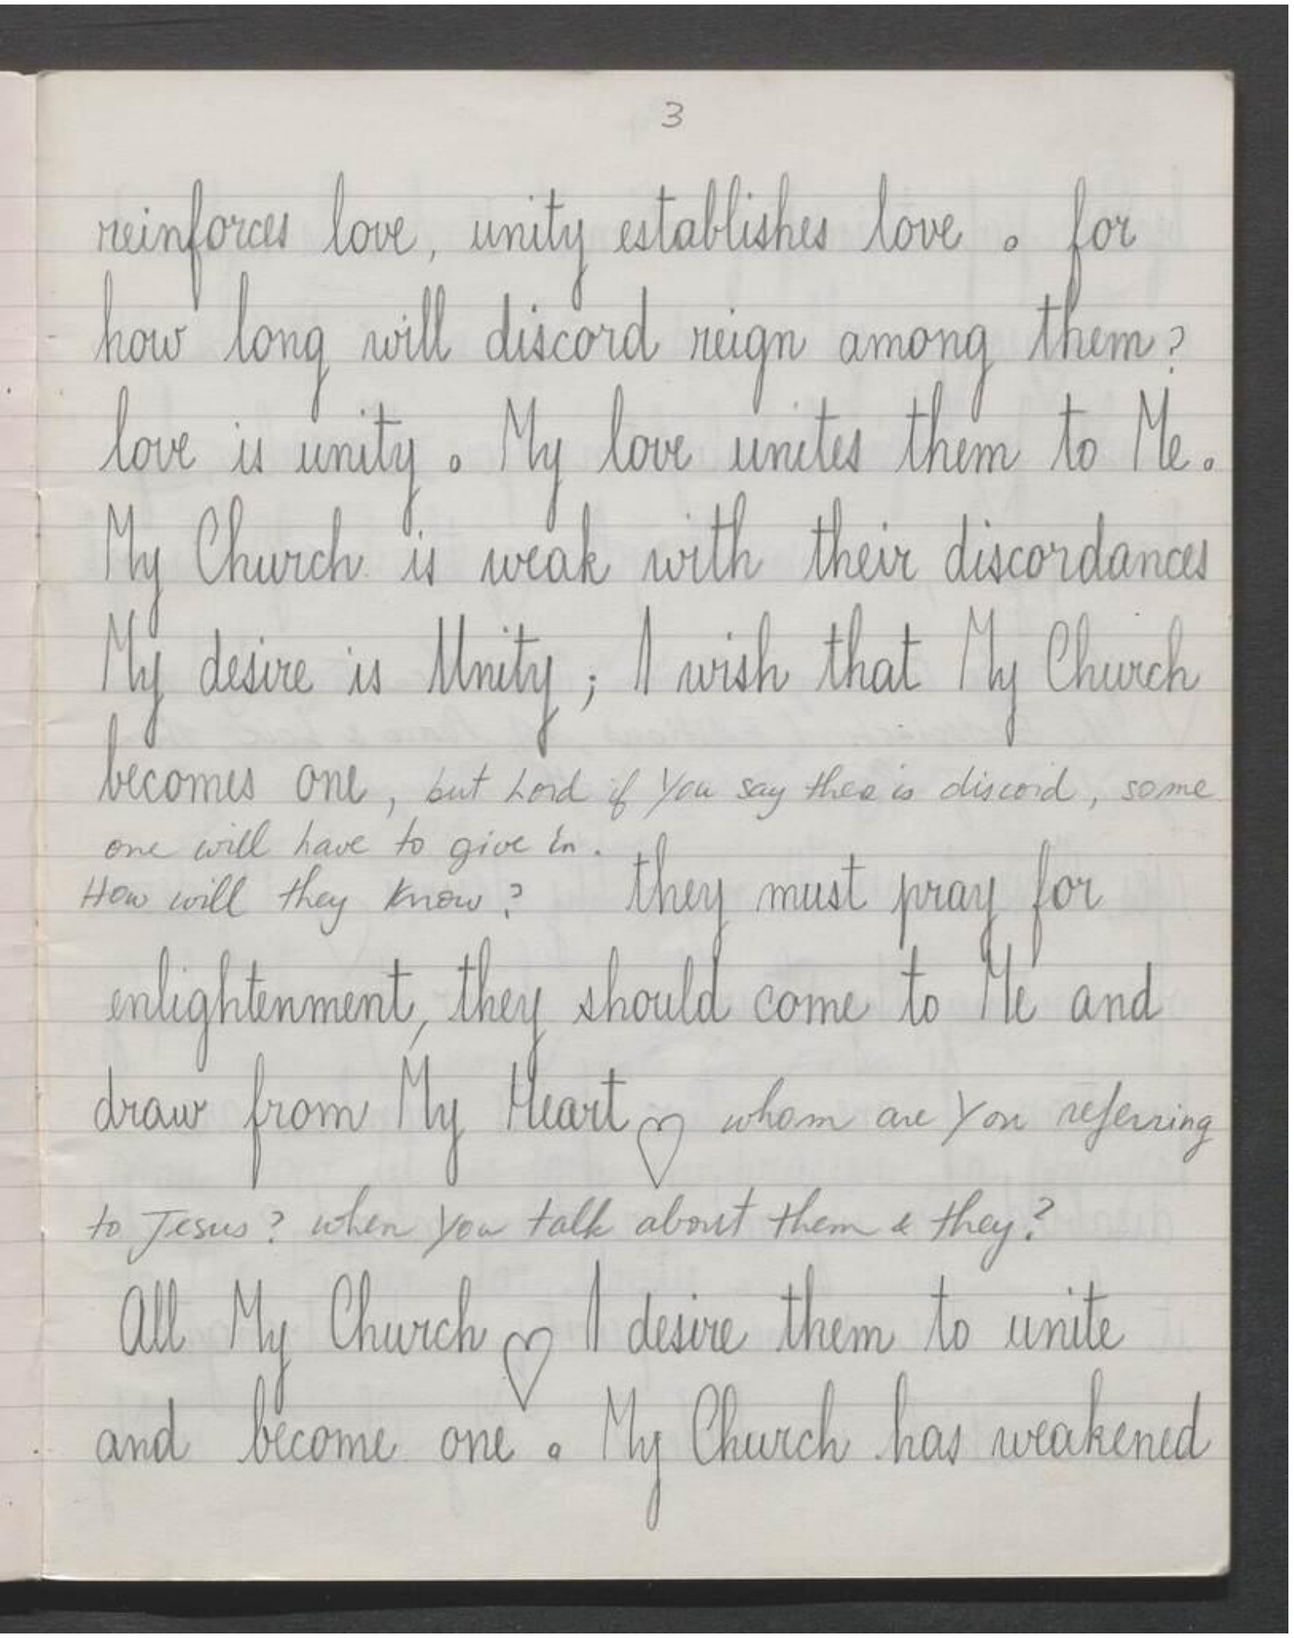
Sometimes I surprise myself, why do I get this urge to meet Jesus in this way, why and how and what for am I keen in writing hearing His messages. For all these months its something that has become indispensable.

♡ I love you, it is I, Jesus, who gives you this urge to meet Me ♡ Vassula, love Me always, ♡ I will tell you, sister, My desires ♡

Jesus was so tender, a sad look over His face was there.

I wish to unite all My priests, I desire from them to love Me more; I want from them purity, zeal, faithfulness o

priests must understand that unity



reinforces love, unity establishes love o for
how long will discord reign among them?
love is unity o My love unites them to Me o
My Church is weak with their discordances
My desire is Unity; I wish that My Church
becomes one,

but Lord if You say there is discord, some
one will have to give in.
How will they know?

they must pray for
enlightenment, they should come to Me and
draw from My Heart ♡

whom are you referring
to Jesus? when you talk about them & they?

All My Church ♡ I desire them to unite
and become one o My Church has weakened

I feel speechless. what can I say; if any one knew how painful it was to see Him so hurt! It was like He was dying all over again. How can one comfort one who is dying from wounds? and to tell him what? That it will be all right? when one knows he is injured to death!

25.5.87

I start to realize how much easier it is to meet God with this grace He has given me if I come without the slightest doubt or disbelief, feeling Him, seeing Him, and letting Him write. I start to understand. Full faith makes all the demons flee and they feel at loss, with no power. They fear and are exasperated! When I come hesitant, doubtful, they feel strong and attack me in writing their insults. Full faith and an open heart for God can make the mountains move! I feel Him like an electric sense in me, wonderful and I never want to leave Him or leave this instant of God's finger on me... I want it to last forever!

wish Me to be your Bridegroom, I will

against Me, I will treat you as a Judge;
I am your Saviour, favour Me above
everything and all, never deny Me, come

Lord You want me as Your sacrifice You said?

Vassula, yes, be My sacrifice o My God; I really
do not know quite what sacrifice could mean. It can
vary, but I understand that it contains suffering of
some sort. Since You ask me to be one for You let
it be; but to be a sacrifice for God one has to have
some value, to glorify God, since I know I am a speck
of dust and chosen because I'm the most wretched,
what sort of decent sacrifice would I be? So even to
be a sacrifice for God one has to be in a state that
would honour Him, that the 'sacrifice' is of some
sort of esteem to be able to take place and honour
God. Even that, my God, I am unable to give, unless
You make me decent to be Your sacrifice, and
thus become valid.

this passage did not let me read till the end.
I had gone to Church taking Holy Communion, so
I felt according to our argument that I had
taken something not permitted, breaking all laws
of the Catholic Church; and that I took some-
thing without permission, thus being very evil.
The following Sunday I went to Church, I stood
near the door, so that I'm half out (since I felt
unwanted) and since I believed I was evil and that
God was very angry with me, I did not go for-
ward with the others for Communion, fearing
I would make things worse if I did.

I was attacked 'in writing' by evil again. It was like cats which jumped on my back, I was "fed up" with them, it seemed like "all hell broke loose;" They annoyed me so I said to one of them: "In the name of Jesus Christ leave and be thrown in fire." It left. There were several of these and one by one was treated the same way as the first one with the same words. Jesus told me: "Ask in My Name and it shall be done, but you must have faith in what you ask, work in this way, pray and ask, pray in My Name. work in My Name, ask in My Name, revive My Name, be My reflexion, synchronize with Me, lift your head towards Me, believe in what you ask." He told me that the demons fear me, I'm a menace to them. Later on I realized where I was, I felt my feet in wet and slimey mud and in a flash I recognized the surroun-

dings of hell. It was just a flash. I then understood why so much evil interference was there today in writing. Jesus said when I asked about this: "Could it have been anywhere else?" "We were together passing at the gates* of hell, healing souls, wrenching them away from Satan's gate. Vassula, allow Me to use you in this way too. This is part of your work too."

Today God lifted me in His palm, made me feel so small. He asked me to look at Him. I did and saw a Beautiful Smiling Giant! Vassula, look at Me, look at My Face, ♡♡♡♡♡ He was smiling in beauty! I felt like a tiny spot in His palm. does it matter to Me? ♡ does it matter to Me if you are but a speck of dust, feel how I love you! He was Beautiful and all this is Beautiful!
